

## AUGUSTINE WALL TOP ASSEMBLY

**PRODUCT CODE:** P2053CP

### FEATURES:

- / Classic Contemporary style
- / 1/4 turn Ceramic Disc Spindles
- / Ceramic Hot and Cold Buttons

The Augustine Range is a classic contemporary range from Linkware borne from a proud family heritage, with the Augustine name handed down across many generations. It exemplifies a timeless appeal with an acknowledgement to the past, as well as adding a modern elegance to your home. Quality materials and designs come from the strong family values that belong to Linkware.

Classic contemporary describes a style that blends traditional or classic elements with contemporary or modern design aesthetics. It combines timeless, classical features with more current or up-to-date design elements, creating a balanced and sophisticated look that feels both timeless and current.
